

Give the Gift of Stock to support Outward Bound Canada's programs

Benefits of Giving Stock

Your charitable gift of stock can be applied to your income taxes over the next five years. In addition, thanks to changes made by the Federal Government on May 2, 2006, any capital gains taxes you would have normally paid on the shares are eliminated.

How to make a gift of stock

There are two simple steps that need to be taken in order to make a gift of stock:

1. Contact your broker to initiate the gift
2. Contact Outward Bound Canada Foundation to inform them of your gift: 1-888-688-9273 or by email at jody_harmon@outwardbound.ca

1. Contacting your Broker

Your broker will require specific information in order to make an electronic transfer of stock from your account to the appropriate account of the Outward Bound Canada Foundation. The attached form ("Letter of Instruction for Stock Transfer") contains all the information your broker will need. In fact, you can complete this form and forward the information to your broker in order to initiate the transfer.

2. Contacting Outward Bound

In case your broker does not forward this information to Outward Bound, it is important to ensure that:

- A. Outward Bound knows the gift is on its way.
- B. Outward Bound knows how you would like the gift to be used.
- C. Outward Bound knows whom the gift is from and in whose name to issue a tax receipt.

Please contact Jody Harmon to notify her of your gift, or fill out the attached form ("Notice of Transfer of Stock") and email, fax or mail a copy to the Outward Bound Canada Foundation

Email: jody_harmon@outwardbound.ca
Phone: 1-888-688-9273

What happens next:

Our broker will sell the stock on behalf of the Outward Bound Canada Foundation. Our broker then issues a cheque to the Foundation for the net proceeds of your gift. Once your gift is received, the Foundation will process your donation and issue a tax receipt.
