THE EXPEDITION

Are you ready for the adventure of a lifetime? Join us!

We're looking for dedicated people with a passion for the outdoors and a genuine desire to make a lasting impact on young lives. In June 2024, you're invited to take part in an unparalleled adventure in the enchanting Bay of Exploits on the Northern Coast of Newfoundland.

Each year, our Reach Beyond Fundraising Expeditions transcend exploration — they serve a higher purpose by raising much-needed funds to help young people to participate in our transformative outdoor programs. In 2023, we made a lasting difference in the lives of 4,000 young individuals across Canada thanks to the support of passionate contributors who train for the expedition and donate or fundraise for Outward Bound Canada's charitable programs that provide financial support to youth underserved with outdoor education in Canada.

Spend seven exhilarating days island hopping in the breathtaking Bay of Exploits. Discover the mysteries of ancient

settlements, engage with locals and delve into the diverse tapestry of life in the harbors. This expedition takes place in sheltered waters and reveals the awe-inspiring beauty of rugged coastlines and majestic icebergs. Embark on a journey to unique geological wonders, spot birds of prey and encounter the vibrant wildlife that populates this pristine haven.

We're seeking committed individuals to join us on this extraordinary expedition where purpose meets unforgettable adventure. This is a rare opportunity to not only experience the adventure of a lifetime, but to make a lasting impact on the lives of young people across the country.
